In order to determine if your mattresses need fumigation, please consult the following chart:

Returning Canadian How long was the client absent from Canada?

If less than 1 year-> NEED FUMIGATION – NO EXEMPTION

If more than 1 year -> EXEMPTION Read below for conditions

Settler – Landed immigrant EXEMPTION Read below for conditions

Student visa NEED FUMIGATION – NO EXEMPTION

Work Permit NEED FUMIGATION – NO EXEMPTION

Seasonal resident (Not Canadian) NEED FUMIGATION – NO EXEMPTION

To get an exemption, the client MUST do the following:

1. Get B4 and inventory list stamped by Canadian customs at the port of arrival.
2. Send the Originals back to you – the agent
3. Make sure to give the ORIGINAL stamped B4 and inventory documents to the driver that is picking up the shipment. He must have this at the border crossing.

*NOTE if these documents get lost during the process of bringing the shipment into Canada, the client will not be entitled for an exemption on taxes and duties of their shipment.

If you need to fumigate, you will need to get a certificate of fumigation. The certificate needs to indicate the items that have been fumigated, the type of fumigant - ONLY Sulfuryl Fluoride (Vikane) is accepted, the rate per ounce and the min temperature of the fumigation process. The fumigated items need to be sealed in accordance with CBSA Memorandum D9-1-7, also known as the used mattress materials regulations.

Customs Clearance tips:

Upon arrival into the Airport in Canada as immigrant / returning Canadian or with a temporary VISA, Your customer MUST report to "Canada Immigration" if they have "Goods to Follow" in a shipment (Sea / Air or Surface). If they do not do this, they may be subject to full duties and taxes when their shipment arrives!!!

They will be asked to submit their inventory list with the B4E and B4A, which are attached below as links. The Canada Immigration officer will give them a receipt. The customer MUST keep this for the customs clearance process!

Customs clearance will take place once the shipment arrives to destination terminal in Canada. At this time, your customer will be required to submit the receipt that they received from the Canadian Immigration officer that they met at the airport. Please note that Canada customs requires your client to be present for the customs clearance process. We will help!

B4A: <http://www.orbitmoving.com/wp-content/uploads/2011/02/CanadaB4A.pdf>

* B4A - Submit to the officer with the inventory list provided by you and instruct the customer to write "As per attached list" rather than writing the whole content of the shipment.
